

City of Azusa Fireworks Discharge Zones

Sec. 30-102. Illegal Fireworks

Any Fireworks, Other Than Safe & Sane

If you contact someone who is discharging or in possession of illegal fireworks, issue them a City of Azusa Admin cite for 30-102AMC.

This is the AMC version of 12671 H&S and applies within the city limits. Do Not include a penalty amount on the citation.

Juvenile violators do not need to be arrested if you are going to cite them on an Admin cite. Include their parents name on the bottom line of the notes section.

Sec. 30-103 Permitted Discharge

Safe & Sane Fireworks

- A. Except as otherwise provided in this article, annually on July 4 beginning at noon and ending midnight, safe and sane fireworks may be discharged only in residential zones within the City
- B. Safe and sane fireworks shall not be discharged at any other time nor in any other zone or area other than provided in this section. Except as provided in Section 30-104, no fireworks, including safe and sane fireworks, may be discharged in any park, commercial parking lot or the public sidewalks, alleys and / or street rights-of-way immediately adjacent to such park or commercial parking lot in the City.
- C. Regardless of the zone in which a fireworks sales stand is located, safe and sane fireworks shall not be discharged within 100 yards of any fireworks stand
- D. No fireworks, including safe and sane fireworks, may be discharged on any property located north of the centerline of Sierra Madre Avenue
